Dear Sir:

Transmitted herewith is a Certificate of Correction for U.S. Patent No. 7,781,522 issued on August 24, 2010. As to the errors in the subject patent, a review of the application and amendments confirms that the errors incurred through the fault of the United States Patent and Trademark Office (USPTO). Specifically, the USPTO introduced an error into the claims during publication. Furthermore, the Combined Declaration and Power Of Attorney correctly indicates the cities listed for each inventor. Applicant is hereby submitting a new Application Data Sheet indicating the addresses of the inventors as shown on the Combined Declaration and Power of Attorney.

Since the error for which the Certificate of Correction is sought was the result of a USPTO mistake, no fee is believed due. However, should there be any fees required,

U.S.P.N.: 7,781,552

the Commissioner is hereby authorized to charge payment or credit any overpayment to Deposit Account No. 08-2789 in the name of Howard & Howard Attorneys PLLC.

Applicant notes that the certificate shall be considered as part of the original patent. Applicant also notes that the subject patent, together with the certificate, shall have the same effect and operation in law on the trial of actions for causes thereafter arising as if the same had been originally issued in such corrected form.

**Respectfully submitted,**
